

FATIMA IQBAL

DATA SCIENTIST

CONTACT

- +92326-3739914
- fatimaqbal3710@gmail.com
- Azizabad, Sadiq abad

SKILLS

- Python (Pandas, NumPy, Scikit-learn)
- SQL
- Data Visualization (Power BI, Matplotlib)
- Machine Learning
- Data Cleaning & Feature Engineering

LANGUAGES

- English (Fluent)

TOOLS

- Python, SQL
- Pandas, NumPy, Scikit-learn
- Power BI, Matplotlib
- Jupyter Notebook

PROFILE

Detail-oriented Data Science professional with hands-on experience in data analysis, machine learning, and predictive modeling. Skilled in working with structured datasets, building analytical solutions, and transforming data into actionable insights. Proficient in Python, SQL, and data visualization tools, with a strong focus on accuracy, problem-solving, and continuous learning.

WORK EXPERIENCE

Data Analytics & Machine Learning Projects 2025

Independent Projects

- Analyzed real-world datasets to generate data-driven and actionable insights
- Built, optimized, and evaluated machine learning models using appropriate performance metrics
- Applied feature engineering and model tuning techniques to improve prediction accuracy
- Conducted in-depth exploratory data analysis (EDA) to uncover patterns, trends, and outliers
- Designed interactive dashboards and visual reports using Power BI and Matplotlib
- Optimized data workflows to improve efficiency, accuracy, and reproducibility

PROJECTS

AI-Powered Virtual HR System 2026

- Developed an AI-powered recruitment platform using Next.js and Django.
- Used Sentence Transformer models to analyze resumes and job descriptions.
- Calculated candidate-job matching scores using Cosine Similarity.
- Automated candidate shortlisting based on a predefined threshold.

AI-Based Autism & ADHD Detection Using Text Analysis

- Developed a machine learning model to detect Autism and ADHD indicators from text.
- Performed text preprocessing and feature extraction using NLP techniques.
- Trained and evaluated classification models for prediction.
- Analyzed linguistic patterns to support early behavioral assessment.

EDUCATION

BS Data Science 2022-2026

Khwaja Fareed University of Engineering & Information Technology (KFUEIT)
